Dear Mr. Cramer,

I received your letter this afternoon while on the way to work as a volunteer at the Library - something which I do each Friday from 1 - 5. The first thing which I did when I got there was to read the Haley story which you had left in the file cabinet.

I began researching the HALEY family about a month ago for Hubert A. Lowman of 11015 Bobcat Lane, Arroyo Grande, CA 93420. Mr. Lowman was refered to me by Leland Castor for whom I had done some CASTOR research. His line was McDaniel Castor who had married Sarah Healy. He wished to know if we could establish Sarah's parents and what I found suprised us both.

Richard Healy first appears in local records when he is listed in the Wayne Co. 1810 Census (one of the few Ohio Counties Census to survive the War of 1812). In the Recorder's office at Holmes County - you may have found a deed in Vol. #11 (Transcipt book), page 215 - this land wss actually a 99 year lease, renewablee forever. The purchase was made at the land office in Mansfield and the date is 25 June 1810.

On 3 February 1814, Richard and Rachael Healy sold this land to Andrew Clark and this is recorded in Vol. 11/ page 217. No other purchases are listed but the tax records and later sales of land show that Richard bought Fraction section #10, Township 14, Range 12. This land is on the Greenville Treaty Line just SouthWest of Mt. Hope.

As you noted - Richard Healy is buried at the Wolgamot Cemetery in Salt Creek Twp. He was only 38 years old when he died on 18 September 1824. On 16 Dec. 1825 - David Snyder and Peter Miller were appointed as administrators to his estate. It is noted that he died intestate. I have included 3 different entries from Journal #1. Through this series of entries we are given the children of Richard and Rachael Healy. They are - John, Mary, Sarah, James, Nancy, Lucinda, Richard, Stephen and Enoch. The reason that Jame's name appears twice is that by 1828 he was 14 years old and by law was able to choose his own guardian.

Richard Healy had married Rachael Cotton. The enclosed copies from the Cotton Bible were sent me by a lady in Canton. She said the actual bible was in the hands of a cousin who had let her borrow it. As you can see the Healy's were married in 1807. Rachael's parents were John Cotton and Mary Ricketts. The Cottons are also buried at Wolgamot Cemetery. John Cotton - Died 15 July 1818, 70 years. Mary Cotton, Died 24 November 1833, age 78 years. However, you will notice that part of her birthdate is given in the bible - it shows her birth as 20 September and deducting 78 from 1833 gives a birth year of 1755.

I am not positive where in PA the Cottons or Healys came from but they must have lived in the same area. In the PA 1810 Census there is a John Cotton living in Ohio Twp., Beaver Co., PA. This could well be Rachael's father as most of the early Salt Creek pioneers came from Beaver County.

Now when I first studied the Healy's - I assumed that Richard was the patriarch. However, a closer look proved that this was wrong. He was the forerunner but his parents and siblings followed him to Salt Creek Twp.

I discovered that the 1830 Census shows - John Healy living in Salt Creek at the 70/80 age group with his wife listed as 60/70. John Healy lived on Fractional Section #11 in Salt Creek Twp. He had a patent from President James Monroe dated 20 January 1819 and recorded in Vol. #12/ page 98. This lies just to the East of the land where Richard lived. Although we find no estate or will for John - he appears on the tax rolls in 1831 and his missing in 1832. However, in the various deeds - I find that John's wife is listed as Sarah and. There are deeds from John to Sedgwick and John to Daniel in which he names them as sons. However, in Vol. #2, page 524 - Sedgewick sells his share of John's estate to Daniel and on the following page - Daniel sells this to Sarah, Johns widow.

After studying all the records , the children of John and Sarah appear to be -Richard, Sedgewick, James, Joseph, Elisabeth, Sarah and Daniel. Marriages for several of these which were recorded in Wayne County are :

Daniel Healy - Jemima Twaddle - 18 Nov. 1824

Joseph Healy - Rebecca Quinn - 3 Feb. 1814

Elizabeth Healy - John Wolgamot - 1 March 1814

Sarah Healy - McDonald Castor - 3 Sept. 1818

In the 1850 Census - Sarah Healy is still living , in the household of her daughter Sarah Castor. She is listed as being 88 years old and born in Maryland. I find no record of her death or no cemetery record. Nor do I find any record of Racheal. It would appear that she may have moved elsewhere with one of the children.

James Healy's older brother - John married Maria Wolgamot 10 July 1842 and I find them buried at Fredricksburg East C emetery in Wayne County. John Healy (1808 - 1857), Maria (1818 - 1892). His sister, Mary married Josiah Slutts, and they are buried in the Slutts Cemetery in Salt Creek Twp. Her stone says : Mary Healy, wife of
Josiah Slutts - Died 10 August 1889, age - 77 years, 9 months, 9 days. She is a direct descendant of the husband of our Society's recording secretary, Jean Slutz.

You will also note that the Cotton Bible listed the births of the first four children of Richard and Rachael. Now I believe that this concludes the information I have on the Healy family.

However, after reading the piece on the Healy family - I thought that I would see if I could find anything on the Matthews. A check of the 1850 Holmes County Census shows Samuel Matthews living in Salt Creek Twp. He is 60 years old and born in Ireland. Phebe or (Rhoda) as it is also listed is 57 but is shown as being born in PA. Living with them is son James age 28, born PA and Hannah age 19 born in OH. A check of the marriage records show that James Matthews married Hannah Hinkle on 22 Feb. 1849. In addition to Catherine and James Healy there is one other Matthews marriage from the Salt Creek area. This is Leonard Matthews to Harriet Slutz on 18 Nov. 1847. A preliminary check of the census failed to find him but I finally located him - the census taker had spelled his name Mathes. He is shown as 24, born in PA and Harriett is 23, born in OH. Samuel and Phebe are buried at th Cananan Baptist Cemetery. I believe they sold the land for the church. The readings are

S. MATTHEWS, Died - 24 October 1875 - 80 years, 14 days; Pheobe (Rhoda) - Died 9 March 1864 - 67 years, 5 months, 2 days.

James and Hannah Matthews are buried at the Fryburg Cemetery near Benton. Their readings are - James Matthews, died 13 October 1861, 40 years, 16 days; w/Hannah Hinkle - Died 13 January 1873, 42 years.

I find no estate record for Samuel or Phebe. The index shows an estate for James but I did not look up the papers as they would not have any information pertinent to Samuel. Leonard apparently left the area as there are no cemetery readings on he or his wife. I have also included copies of the 1875 plat map of Salt Creek Twp. from the Holmes Co. Atlas and the one which I believe you spoke of - Salt Creek in 1860 which was taken from a wall map found in the old Saltillo Post Office and now at the Historical Society.

I did not list James and Catherine's Census reading as I am sure you are familiar with it My normal charge is $6 / hr. and I probably worked about 1½ hrs. on the research.

I am satisfied to call us even at this point. I do have your other SASE and if you have additional questions or need other information - just drop a line. I hope that this has helped you in establishing your Healy background.

Dear Mr. Cramer,

This summer my cousin and I spent a few days in Holmes Co. searching for information on our Bayes and Haley ancestors. While there I learned that you also were searching the Haley family.

I probably don't have anything that you have not already found but would like to hear from you and if you have and leads that I could follow up on here in Maryland or at the Nat. Archives or DAR, I certainly would be interested in doing so.

Inclosed is a SASE and a chart showing the Haley connection.

Look forward to hearing from you.

Sincerely,

~~Haley~~

Subject: Some Info

Dear Roena, Just A Short note to say hello and to let you know that we are still alive and kicking. We are in Boston for the 110 th Congress of the Sons of the American Revolution. We leave tomorrow for Providence, RI, and then on Friday we fly to South Bend, IN, where Norma's sister lives. On 3 July we will be in Beckley, WV, to help our youngest son and his family celebrate his 37th birthday. I must be back in San Antonio shortly after 15 July for Cataract Surgery on my left eye - the right eye was done 2.5 months ago and it make a world of difference, from 20:400 to 20:25, a great improvement in vision. Even with the improvement Norma still has to drive as the doctor told both of us that I am not to drive until after the other eye is corrected.

I have not been able to find out who Richard Haley's (who married Rachel Cotton) parents or anything on him prior to 1810. Have looked in Beaver Co., PA, library records at Ft. Wayne, IN, and trhere is not much info on or about early residents of this county. 1800 from Allegheny & Washington

I saw the following message on the OHWAYNE web email list and thought that you might be interested. I do not know anything about the sender, it may be a false lead or some one want all of your information.

Take care of yourself and do not do anything that I wouldn't do.

Love, Louis & Norma
